Low cut shirts are defined as being lower than 4 finger widths below the collar bone. No shirts with backs lower than 4 fingers below the base of the neck will be permitted.
- All jeans must be in good repair without rips, tears, holes, distression, and must be hemmed neatly.
- Absolutely NO shorts!!!
- Absolutely NO sweat pants/track pants/yoga pants!!
- Absolutely NO flip flops!!
- Absolutely NO leggings!!!
- Administrator has the final say on what is appropriate...again, please remember this and don't put us in an awkward position where we have to have a conversation that nobody wants to have during such a fun week.
- If a student chooses not to dress up on theme days, then they are to be in uniform.

Please do not push the rules/expectations! You are a proud student attending an amazing Catholic School! Let's have fun this week while adhering to these guidelines. Let's remember our school's mission and be supportive of that when choosing our attire.

Happy Homecoming 2021 and Go Tigers!!!
